

Project: “Renovation and reconstruction of the educational infrastructure of Municipality of Suvorovo”

Stage one: Reconstruction of the Children’s Creative Centre in the town of Suvorovo

Stage two: Renovation of “Hristo Botev” Primary School in the village of Chernevo

Beneficiary: Municipality of Suvorovo

Contract number: BG161P0001/4.1-01/2007/004

The project has been realized under Operation 4.1 (*Small-scale local investments*), Priority 4 - “*Local development and cooperation*” of Operational Program “*Regional Development*” 2007-2013.

Contract number BG161P0001/4.1-01/2007/004 for renovation and reconstruction of the educational infrastructure of the Municipality of Suvorovo was signed between the Municipality of Suvorovo and the Managing Authority of Operational Program “*Regional Development*” on the 20th of July, 2008. The project should be completed within 16 months. The total costs of the project are 742 679, 20 BGN.

Aims of the Project:

- Improving the condition of the buildings of “Hristo Botev” Primary School in Chernevo and of the faculty building of the “N.Y. Vaptsarov” High School in Suvorovo.
- Providing equal access to educational services for children from ethnic minorities (including children from the Roma minority) and for children with disabilities.
- Social integration of children from ethnic minorities (including children from the Roma minority) and of children with disabilities.

Achieved results:

- Increased energy efficiency.
- School buildings have been renovated.
- Access to the school buildings for disabled people has been provided through the construction of wheelchair ramps.
- With the renovation and reconstruction of the school buildings, the increased energy efficiency and the construction of disabled access, the necessary preconditions have been created for the social integration of children from ethnic minorities and children with disabilities.
